Hi Omer,

I used the Tank Maintenance and Repair Histories from Section 3.1.1 of the 2008 Groundwater Protection Plan to develop the poster. The poster is my interpretation of the summary. The TIRM reports for the

Subject: Chart showing Red Hill Fuel Tank Releases

Hi Steve and Roxanne, when we had a previous public meeting, DOH put together a poster board that showed various historical leaks that occurred under many of the Red Hill tanks. What documents did you use to put that together? We are getting a congressional request and we were wondering if you consulted something other than the 2008 groundwater protection plan.

Thanks for your help,
